

To change/reset your password, click on “Forgot Password” on the “Log In” screen as shown below. The site will then send you an email to change your password.

The image shows a login form with the following elements:

- Log In** (large heading)
- New to this site? [Sign Up](#)
- Email:
- Password:
- [Forgot password?](#) (with a red arrow pointing to it)
- 

To get to this screen if you’re **not** logged-in, simply click the “Login” button at the top of the “Welcome” page.

If you **are** logged-in, go to your name by the red bell at the top of the “Member’s Area” page, drag-down its menu, and select “Log Out”.
